Meeting of ALADIN
ALpe ADria INitiative Universities’ eNetwork & Association for Information Systems Chapters:
Potential Contributions of Information Systems’ Educators to the eRegion Central Europe Development

Co-chairs:

Paolo Inchingolo
Professor & Director, Higher Education in Clinical Engineering (HECE) Chairman, IHE Transnational Committee for Central and Eastern Europe & Delegate, ALADIN – ALpe ADria INitiative Universities Network, University of Trieste, Italy

András Gábor
Associate Professor & Head, Department of Information Systems, Director, Technology Transfer Center Corvinus University of Budapest, Hungary

ALADIN Executive Committee Members’ Suggestions:

Dragan Čišić
Associate Professor & Vice Dean for Research and Technology Faculty of Maritime Studies, University of Rijeka, Croatia

Miroljub Kljajić
Professor & Head, Laboratory of Cybernetics and Decision Support Systems Research Program, Faculty of Organizational Sciences, University of Maribor, Slovenia

Dušan Malindžak
Professor & Vice Rector for Development

Anton Lavrin
Associate Professor & Head, Office of the European Projects, IST National Contact Point, European Union, Technical University of Košice, Slovak Republic

Ulrike Lechner
Professor, Center for Technology and Innovation Management, University BW München, Germany

Otto Petrovic
Professor & evolaris Chairman of the Board, Karl-Franzens-University of Graz, Austria

Josef Smolle
Professor & Head, New Media in Medical Knowledge Transfer and Processing, Virtual Medical Campus Division, Medical University of Graz, Austria
Pere Tumbas  
Professor & Vice Rector for Finances, University of Novi Sad, Serbia

*eALADIN Members’ Suggestions:*

John R. Harrald  
Professor of Engineering Management and Systems Engineering & Director  
Institute for Crisis, Disaster, and Risk Management, School of Engineering and Applied Science,  
The George Washington University, United States

*AIS Chapters President’s Suggestions:*

Dennis F. Galletta  
President-Elect, Association for Information Systems - AIS & Professor of Business Administration,  
Katz Graduate School of Business, University of Pittsburgh, United States

Marko Bajec  
President-Elect, AIS Slovenia Chapter & Assistant Professor,  
Faculty of Computer and Information Science, University of Ljubljana

**Outline**

The Universities are creating international networks, at regional level, sharing common ideas and knowledge in teaching and research activities in the field of eCommerce. University network is considered an important contributor to eRegion development of the neighbouring countries. The intention of the cooperation is to create mobility of students and professors, imposing common lectures, creating virtual teams of students from different Universities and professors lecturing at different Universities, in order to harmonize with global and international activities of eCommerce.

**ALADIN – ALpe ADria INitiative Universities’ Network:**
- Universities of Corvinus Budapest, Hungary
- Karl-Franzens Graz, Austria
- Medical University of Graz, Austria
- Technical University Košice, Slovakia
- Maribor, Slovenia
- BW München, Germany
- Novi Sad, Serbia
- Prague University of Economics, Czech Republic
- Rijeka, Croatia
- Trieste, Italy

& the extended eALADIN with the involvement of the George Washington University, United States
